There seems to be quite a revulsion of feeling in the case of R. G. Armstrong, bail at this time, charged with the killing of Milton Boyd. At the time the deed was committed, from representation of the particulars of the case, it was feared that Armstrong would be mobbed. His bond was placed so high that he, "stranger in a strange land," with limited means, could not get it, and he was remanded to jail, where he has remained for nearly nine months. In the trial the other day at the Court house, for reduction of bond, when the examination into facts of the case was made, the bond was reduced to \$1,500, which was promptly made by some of our best citizens, some of whom had never seen Armstrong before. MICHIGAN Democrats elected two Supreme Judges this week, by a majority of from 5,000 to 10,000. Please cipher this down on the wall for '84.

CAPT. CRAIG, ex-Representative, is now the opponent of Hon. W. C. Owens in Scott county, but Owens is staying at home while Craig is stamping the county.

ONE drunken Indian killed another in New Mexico, Sunday. Perhaps, after all, it would pay us to call in the troops and send out a few barrels of whiskey.

If the proposed F. G. P. & V. railroad should ever be built across the county and the Kentucky Union, too, then we would be entitled to a long rest on the railroad business.

Gov. CHITTENDEN signed the high-licence bill recently passed by the Missouri Legislature. Under this bill, now a law, the lowest liquor license in the State will be eleven hundred dollars.

CINCINNATI has a tramp who takes high moral grounds against sawing wood. He says he is opposed to the destruction of our forests and will therefore do nothing to encourage the wood business.

HAYES says he will be a candidate for Governor of Ohio "if it be demanded of the people." We hope the Republicans will put up the old fraud. He would get snowed under 60,000 votes deep.

TEN Democratic officers, including the Mayor, and six Republicans were elected in Cincinnati, Monday. Mulvihill couldn't pull-the-hill with a majority of 5,000 like Stephens, but got left by about a many.

A NEW YORKER wants a "commission appointed to visit every community in the land and separate thousands of uncongenial married people who are filling the world with crime, disease and infant mortality."

It appears now that the new five-cent nickel is gilded at various points in this country, and many arrests have been made of parties engaged in the effort to pass them as gold coin. Treasury officials are of the opinion that the new design was a grave error, not to be wholly cured by the addition of the word "cents."

The penalty for the violation of the new law in Tennessee against keeping a gambling house is not less than one year nor more than three years in the penitentiary, and the law makes it a felony for the owner or agent of any building to rent it for gambling purposes.

The Carlisle Mercury and Cynthia Democrat are throwing not shots into each other over the Senatorial race. Mr. Martin, of Cynthia, ought to draw off and allow the office to rotate around the three counties undisturbed, as in the past. We are inclined to think that he is a more feeler for the position next time, and will withdraw before the election.

JUDGE HARGIS has just rendered a decision in the case of Avery & Co., plow manufacturers against Meikle & Co., also plow makers, of Louisville. The decision is very lengthy but is pronounced by the Courier-Journal as one of the most learned and important ones ever delivered by the Court of Appeals. ## No Whiskey!

BROWN'S IRON BITTERS is one of the very few tonic medicines that are not composed mostly of alcohol or whiskey, thus becoming a fruitful source of intemperance by promoting a desire for rum.

BROWN'S IRON BITTERS is guaranteed to be a non-intoxicating stimulant, and it will, in nearly every case, take the place of all liquor, and at the same time absolutely kill the desire for whiskey and other intoxicating beverages.

Rev. G. W. CRICE, editor of the American Rice Review, says of Brown's Iron Bitters:

Cin., O., Nov. 16, 1881.  
Gent.—The foolish wasting of vital force in business, pleasure, and vicious indulgence of our people, makes you preparation a necessity; and if applied, will save hundreds who resort to saloons for temporary recreation.

BROWN'S IRON BITTERS has been thoroughly tested for dyspepsia, indigestion, biliousness, weakness, debility, overwork, rheumatism, neuralgia, consumption, liver complaints, kidney troubles, &c., and it never fails to render speedy and permanent relief.

His dam, Lady Hulse, by Imported Trustee, (thoroughbred.)

Will make the season of 1883, at my stable, at Millersburg, Ky., at

\$25 To Insure a Living Colt.

Money due when the mare foals or is parted with. No other horse in Kentucky, of equal breeding and merit, stands for less than \$50.

GOLDSMITH is a rich brown, heavy mare and tall, 15 hands, 3 inches high strong bone, fine action, remarkably good disposition and sound in every particular. His colts are uniformly large, smooth and well gated. He was sold by Mr. Alden Goldsmith, when sold to J. B. Haight, Dover Plains, N. Y., and bought by him until sold to me.

Mare from a distance kept 30 days, on grass, free. No responsibility for accidents. Also one of the best

## YOUNG BLACK JACKS

In Kentucky, 154 hands high, will serve mares at TEN DOLLARS and foals at TWENTY DOLLARS for living colt. No variation in price.

Len retained on all colts of horse and jack until season money is paid.

### ATTENTION, HORSEMEN!

We call the attention of the farmers and breeders of horse stock, that I breed at my place, horses for beauty and symmetry as well as for trotting purposes. If a careful inspection is made to the sire and offspring of any horse, I would then most respectfully call attention to Caliban and his offspring—some ten or twelve of which can now be seen at my stable. Caliban will be permitted to serve in and number of mares the coming season, offered by first-class men, (no others need apply,) at \$20 to insure.

Caliban has a record of 2:24, and in the opinion of such horsemen as Dr. J. Herr, he could have trotted as well or better than 2:20 on the day which he has record. Two of Caliban's yearling colts showed better than a four minute gait on my indifferently track last spring.

I will call the attention to the fact that Mambrino Chief, with the Pilot and Clay cross, has produced some of our most noted horses. I breed for speed as well as sixteen-hands high horses, high style and rangy.

Caliban is the sire of Cyclone and Coaster, both with records better than 2:27.

### STANDARD BEARER.

This celebrated horse will make the season of '83, at my stable, three miles from Millersburg and six from Paris, on the Jackson Pike, at Ten Dollars The Season, or Fifteen Dollars to insure a living colt.

STANDARD BEARER is a bay, foaled 1867; fifteen hands and three inches high; by Volunteer; dam, by Roe's Arabian Chief; Volunteer, by Rysdyk's Hambletonian.

Like all the sons of Volunteer, Standard Bearer is proving himself a fine stock horse; his profile being largely finely formed, with superb action.

Also, my three-year-old young jack, Lord Wellington,

15 hands and 1 inch high, good bone and length, will stand at Ten Dollars to insure a living colt.

Money due in both cases when the colt comes or mare parted with—a lien retained on the colts until season money is paid.

### Fire Proof Wire Fence.

I am building wire-fencing for the K. C. R. R. Co. The same can be seen on the Mayville branch extending from the Jackson Pike through Will Taylor's place, near Paris, also on the railroad near Millersburg. The plan is entirely new. Be glad to accommodate all who desire wire fencing. It will sell at low prices, and in such improvements to see and I consider the merit of the fence.

Respectfully,  
V. C. GHOLSON,  
Address Crawford House Cincinnati, O.

### FARMERS NOTICE!

I would respectfully inform the citizens of Bourbon and surrounding counties, that I have had a large experience in repairing and adjusting the "Silvers Grass Strippers," and hereby offer my services in that line for the future. All work warranted first-class, and charges made reasonable.

Work can be left at either Paris or North Middletown.
